Opera San Jose presents. . .

## HANSEL and GRETEL

San Jose Opera artists present a one-act, condensed version of Englebert Humperdinck's classic opera *Hansel and Gretel*. Performed in English by OSJ's fully-costumed singers with live piano accompaniment, *Hansel and Gretel* provides children with a positive experience of an art form that may be new to them, offering a fantastic introduction to opera and theatrical storytelling through music and voice.
